Dear Naila Saeed,

In March 2022, The Government of Canada and the Province of Ontario, signed a \$13.2 billion child care agreement that will lower fees for families and deliver an average of \$10 a day child care by September 2025.

In order to ensure savings for parents and successful implementation of this system in Ontario, we are establishing a Minister's Advisory Group to engage in roundtable discussions with sector partners on key priorities, including a new funding formula, supports for the workforce, and access and inclusion.

We are pleased to invite you or a representative from your organization to participate in this group.

The first meeting, which be held virtually, will be held on Wednesday, August 3rd at 10:30 am.

At this time, we are asking that you indicate your interest in participating in these discussions, and to confirm the representative from your organization, providing contact details to [Lina.Diaz@ontario.ca](mailto:Lina.Diaz@ontario.ca) by Tuesday, August 2, 2022.

Thank you for your continued partnership as we support a high-quality, affordable, and accessible early years and child care system for all families in Ontario. We look forward to working with you.

Sincerely,
